

Nemzetközi lapok listája a Pszichológiai programhoz

A publikációs követelmények teljesítéséhez szükséges egy angol nyelvű publikáció a dolgozathoz kapcsolódó témakörből, kutatásból. Az alábbiakban a SCIMAGO által látott Pszichológia tudomány által indexált lapok a legerősebb laptól a leggyengébb felé haladó sorrendben jelennek meg. Bármelyik lapot elfogadjuk. A lista után még további olyan nagy indexáló rendszerek által indexált lapokat sorolunk, melyekből az angol nyelvű publikációt szintén elfogadjuk. Ha ezeken kívüli angol nyelvű publikációt szeretne beszámíttatni a doktorjelölt, egyeztessen a programvezetővel! Egyéni elbírálás alapján előfordulhat, hogy olyan indexált lapban sikerül publikálni, mely itt nincs felsorolva, de az interdiszciplinaritásába belefér a pszichológia.

Figyelem! Az alábbi listában jegyzett lapként felbukkan 3 magyar nyelvű is, mivel a SCIMAGO látja őket. (Mentálhigiéné és Pszichoszomatika, Magyar Pszichológiai Szemle, Psychiatria Hungarica. Természetesen az ebben a háromban való közlés is elszámolható, de csak mint magyar nyelvű kiemelt lapban való publikáció.)

A Scimago „Psychology” listát tapasztalati alapú kiegészítésekkel látjuk el. A következő listán abc-rendben azok a lapok szerepelnek, melyekbe a Pszichológia Intézet munkatársainak, illetve Doktori Iskola témavezetőinknek (Nagy Beáta Erika, Malét-Szabó Erika, Szabó Éva, Münnich Ákos) van publikációja, de a lapot a Scimago nem pszichológia kategóriában indexálja.

Tehát ezek mind olyan lapok, melyek angol nyelvűek, a Scimago látja őket, és a pszichológiával határtudományos lapok, tehát egy pszichológiai doktoriban a publikáció a lapban, nyilván, ha kapcsolódik a disszertáció témájához, elfogadandó.
